HURUNUI/KAIKŌURA EARTHQUAKE

The destructive 7.8 magnitude Hurunui/Kaikōura Earthquake occurred just after midnight on 14 November 2016.

The earthquake was unusual in that the bulk of the energy generated by it moved in a north-eastern direction from its epicentre near Culverden rather than radiating evenly outwards. Shaking lasted around two minutes, and it has been estimated that 21 fault lines ruptured over a distance of 250 kilometres.

Two deaths were attributed to the earthquake and the damage to buildings, land and infrastructure was extensive. Insurance claims from this earthquake, and by no means was everything insured, are estimated to settle for a total of around \$2 billion.

For the LAPP Fund the earthquake resulted in claims from Kaikōura, Hurunui and Marlborough District Councils. The majority of the damage was to pipelines and the rest to a number of sections of Marlborough's 180 kilometre stopbank network. That the overall direct cost to LAPP of this earthquake will be less than \$10 million is a surprisingly good result given how large the earthquake was. The lack of any seriously-damaging aftershocks, at least to date, has been very fortunate.

Staff have carried out several visits to the affected areas and have been impressed by the methodical and conscientious way in which councils are assessing damage and carrying out repairs. We are also heartened to see that the councils who were affected by the Canterbury earthquakes have been assisting the Kaikōura, Hurunui and Marlborough District Councils with their recovery work.

Mark Crosby of Cunningham Lindsey has been appointed as LAPP's loss adjuster for these claims. Mark has an enormous amount of expertise in this area having worked on many of LAPP's claims including the 2004 Manawatu floods and the 2010 and 2011 Canterbury earthquakes.

60/40 REVIEW

There has been little movement on the central government review of the 60/40 financial split since we reported to you in our 2016 Annual Report. Treasury has informed us that the review is still taking place but the release of the discussion paper has been delayed due to the central government elections in September of this year. The reasons for having a review have not changed and we expect the topic to be revisited by Treasury in 2018.

We believe that LAPP is best placed to deal with any increase in local authorities' share of the costs for repairing/replacing damage to three-waters infrastructure following a catastrophe. This is because insurance for three-waters infrastructure when measured by premium paid versus claims expected is expensive in comparison to most other lines of insurance cover. For councils, the most practical solution is to share the cost by pooling funds, which is what LAPP facilitates. Then the icing on the cake as the LAPP fund grows is that there is less and less reinsurance that needs to be purchased.

LAPP REINSURANCE PROGRAMME FOR 2017-18

In light of the apparently increasing number of natural disasters, LAPP's reinsurance arrangements underwent a review, leading to a change in the programme's structure for the coming year. From 1 July 2017 there is cover for three separate events at limits of \$120 million, \$90 million and \$50 million (at 100%).

The new covers can be used in any order. For example, if a flood were to occur, the \$50 million cover could be used, leaving two other covers for up to \$90 million and \$120 million should they be required. This configuration has also meant an increase in total cover (at 100%) for members from \$250 million to up to \$260 million.

We believe that the new reinsurance arrangements will provide greater comfort for members as there is cover for three catastrophes rather than two, as well as a greater degree of flexibility come claim time. The amount of cover purchased is based on regional PMLs (probable maximum losses) prepared by Risk Management Partners using earthquake, volcanic and tsunami models developed by GNS (the Institute of Geological and Nuclear Sciences, New Zealand) and flood risk estimates provided by members themselves.

LAPP IN 2017-18

Member contributions for the 2017-18 year have seen an increase. This is largely due to the increase in reinsurance costs as a consequence of the Hurunui/Kaikōura earthquake. The London reinsurance market's attitude in respect of local government covers was also affected by the devastating floods in the Bay of Plenty region in April 2017. While LAPP did not have any claims resulting from the floods, they served as yet another reminder to the reinsurance market of how prone New Zealand can be to natural disasters.

The increase in contributions should however help to smooth future pricing should there be an increase in the councils' share of costs resulting from changes to the 60/40 split. We are aware that there was very competitive pricing on offer this year so we appreciate those councils who renewed their membership, and I would like to thank them for their loyalty to the Fund.

Membership of LAPP for the 2017-18 year is 21 and the Fund's equity at 30 June 2017 after providing for expected claims was \$16.1 million.

CHANGES TO THE LAPP BOARD

During the year Dale Lott and Jennie McFarlane's tenure with the Board came to an end, after 9 years and 5 years respectively. My thanks go to Dale and Jenny on behalf of the Board and members for all the work they have put into LAPP, and especially into the settlement of LAPP's 2010 and 2011 earthquake claims from Waimakariri District Council and Christchurch City Council.

LAPP has four new Trustees. I am very pleased to welcome the Honorable John Carter, Professor Tim Davies, Andrew Dalziel and Charles Hett to the LAPP Board. These new Trustees bring an enormous wealth of knowledge to the table: John and Andrew have longstanding careers in local government; Tim is an expert on natural hazards; Charles is an actuary with extensive financial and insurance experience.

ACKNOWLEDGMENTS

I would like to extend my thanks to the Civic staff, Tim Sole, Ian Brown, Jane Brown and Caroline Bedford, who provide the administration services to LAPP; to Bryan Whitefield and Marlene Kanga of Risk Management Partners; to Mark Crosby of Cunningham Lindsey; and to Jeremy Holmes of MJW.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF NEW ZEALAND LOCAL AUTHORITY PROTECTION PROGRAMME DISASTER FUND'S FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

The Auditor-General is the auditor of the New Zealand Local Authority Protection Programme Disaster Fund ("the Fund"). The Auditor-General has appointed me, Brent Manning, using the staff and resources of KPMG, to carry out the audit of the financial statements of the Fund on his behalf.

Opinion

We have audited the financial statements of the Fund on pages 6 to 15, that comprise the balance sheet as at 30 June 2017, the statement of financial performance, statement of movements in equity and statement of cash flows for the year ended on that date and the notes to the financial statements that include accounting policies and other explanatory information.

In our opinion, the financial statements of the Fund:

- present fairly, in all material respects:
 - its financial position as at 30 June 2017; and
 - its financial performance and cash flows for the year then ended; and
- comply with generally accepted accounting practice in New Zealand and have been prepared in accordance with Public Benefit Entity Standards Reduced Disclosure Regime (PBE RDR).

Our audit was completed on 1 September 2017. This is the date at which our opinion is expressed.

The basis of our opinion is explained below. In addition, we outline the responsibilities of the Trust Board and our responsibilities relating to the financial statements, and explain our independence.

Basis of opinion

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International

Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Trust Board

The Trust Board are responsible on behalf of the Fund for preparing financial statements that are fairly presented and that comply with generally accepted accounting practice in New Zealand. The Trust Board are responsible for such internal control as they determine is necessary to enable them to prepare financial statements that are free from material misstatement, whether due to fraud or error. The Trust Board is also responsible for the publication of the financial statements, whether in printed or electronic form.

In preparing the financial statements, the Trust Board are responsible on behalf of the Fund for assessing the Fund's ability to continue as a going concern. The Trust Board are also responsible for disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting, unless the Trust Board intend to wind up the Fund or to cease operations, or have no realistic alternative but to do so.

The Trust Board's responsibilities arise from clause 5.3 of the Trust Deed of the Fund.

Responsibilities of the Auditor

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures, and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of readers taken on the basis of these financial statements.

We did not evaluate the security and controls over the electronic publication of the financial statements.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

- We identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trust Board.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Trust Board and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the

Fund's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.

- We evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trust Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibility arises from section 15 of the Public Audit Act 2001 and clause 4.4.1 of the Trust Deed of the Fund.

Independence

We are independent of the Fund in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1 (Revised): *Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board.

Other than in our capacity as auditor, we have no relationship with, or interests in, the Fund.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2017

NOTE 1 REPORTING ENTITY

The purpose of the New Zealand Local Authority Protection Programme Disaster Fund, ("The Fund") is to provide cover to member local governments for losses or damage to infrastructure assets resulting from flooding, earthquakes and other damaging events.

The Fund is a charitable trust registered on 8 May 2008 and is governed by a Deed of Trust dated 14 December 2007.

Statement of Compliance

The financial statements have been prepared in accordance with Tier 2 Public Sector Public Benefit Entity (PBE) Standards.

The criteria under which the Fund is eligible to report in accordance with Tier 2 PBE Standards are that it is not publicly accountable and is not large and disclosure concessions have been applied.

NOTE 2 GOING CONCERN

The financial statements have been prepared on a going concern basis. The Trust Board believe that while members have the right to leave the fund, the equity (\$16.1 million) provides a solid basis to conclude that the Fund will continue as a going concern.

NOTE 3 STATEMENT OF ACCOUNTING POLICIES

General Accounting Policies

The reporting currency is New Zealand dollars. Income and expenses are accounted for on an accruals basis.

Particular Accounting Policies

The following are particular accounting policies which materially affect the measurement of financial performance and financial position. Further particular accounting policies are contained in the relevant notes to the financial statements.

GOODS AND SERVICES TAX

The Financial Statements are prepared on a GST exclusive basis, except for receivables and payables that are stated inclusive of GST.

Changes in Accounting Policies

There have been no changes in accounting policies during the year.

NOTE 4 CLAIMS AND REINSURANCE RECOVERIES

Gross outstanding claims liabilities total \$2.948 million (2016: \$0.017 million). This estimate represents loss assessors' estimates for the Kaikōura earthquake claims as at June 2017 and of what LAPP will ultimately pay in relation to these claims. The estimates or projections are based on the known facts and circumstances and assumptions regarding future events and key variables.

Loss assessors have performed assessments on all claims however the extent of these assessments ranges from initial visual assessments to full detailed reviews. As such, the final extent of claims that would be subject to consideration by LAPP is still being quantified.

Given the nature and number of uncertainties associated with the Kaikōura earthquakes, the actual claims experience may deviate from the gross outstanding claims liabilities as at 30 June 2017. Any changes to estimates will be recorded in the accounting period when they become known.
